

Carpenters/Framers

We are searching for experienced, motivated carpenters and framers for various project types. We are looking for this person to start in the spring.

Tri-County is known for our professional service and quality work. We look for employees who are able to work efficiently and at a fast pace, without sacrificing quality. For this position it's also important to be self-motivated, able to work effectively as a part of a team, and to take pride in producing quality work. Applicants should expect to do a considerable amount of lifting (in excess of 50 pounds), carrying, climbing, kneeling, balancing, and other physically demanding tasks.

This is a position that we are hiring for as we continue to refine and expand the services we offer, so being able to work effectively and efficiently without continuous oversight is a must.

Benefits:

- Health insurance (vision and dental options available)
- Simple IRA retirement savings
- Competitive salary
- Tri-County provides employees with work wear and all necessary tools.
- Tri-County installers work 40 hours per week with the opportunity for paid overtime
- After a year of employment, Tri-County offers paid vacation time

About Tri-County Enterprises:

Starting in 1997 as "Tri-County Seamless Gutters" we have grown and gained the confidence of many homeowners and general contractors in the Cedar Rapids area. In the early 2000s we added roofing to our services and became Tri-County Enterprises.

Today, Tri-County employs skilled installers, estimators, and office staff. Every day in business is a testament to the quality of people we hire and the teamwork that our employees build together! We have made it our mission to exceed the expectations of our clients and employees.
